Response to the Objection to Claim No. 5784 – Case No. 04-44481 (RDD) – Debtor Delphi Automotive Systems LLC

Dear Sir or Madame,

Hereby we disagree with the objection to claim no. 5784

There are three single qualified claims in total amount of US\$ 3,603.73. The overall claim was objected to US\$ 270.06 without any reason.

The claim consists of three single invoices:

Invoice 05071237 dated 6^{th} of July, 2005 with EUR 2,552.55 rated 1.20022 = US\$ 3,063.63 for delivering goods (P/N 26123697)

Invoice 05071764 dated 20th of July, 2005 with EUR 225.00 rated 1.20022 = US\$ 270.05 for tooling modification (P/N 26123696)

Invoice 05071765 dated 20^{th} of July, 2005 with EUR 225.00 rated 1.20022 = US\$ 270.05 for tooling modification (P/N 26123697)

Two (US\$ 270.05 and US\$ 270.05) of the three claims are from the same date, so it is not comprehensible, that only one single claim is accepted.

Attached find the 3rd reminder of late payment, copies of the above mentioned invoices, bill of delivery for invoice 05071237 and the corresponding international collection manifest.

Regards
